NOTICE TO SHAREHOLDERS

Luxembourg, 11 October 2021

The Company's shareholders are hereby advised of the changes made to the Company's prospectus (the "**Prospectus**"), decided on by the Company's board of directors (the "**Board of Directors**") and described below.

For all shareholders, the Board of Directors invites you to refer to Sections I. to V. below, relating to changes applicable to the Company as a whole and **that have no impact on your investment**, and which will therefore take effect on 18 October 2021.

For shareholders of the CPR Invest - Climate Bonds Euro sub-fund, the Board of Directors invites you to refer to Section VI. below so that you are aware of certain **changes that have an impact on your investment**, and which will therefore take effect on 18 November 2021.

For shareholders of certain sub-funds only, the Board of Directors invites you to refer to any section of Part C) corresponding to the name of the sub-fund in which you hold shares, so that you are aware of certain **changes that have no impact on your investment**, and which will therefore take effect on 18 October 2021.

A) CHANGES CONCERNING THE COMPANY

All changes described in this Part A) affect all shareholders of the Company, will be reflected in the Prospectus dated 18 October 2021, will enter into force on that date and will have no impact on your investment.

I. Changes to the Company's Board of Directors

The Board of Directors decided to reflect the appointment of Mrs Sophie Mosnier as independent director on the Board, elected in order to increase the objectivity of the decisions taken by the Board and to take advantage of the experience and expertise of Mrs Sophie Mosnier.

In view of the fact that the registered office of the Management Company (CPR Asset Management) will change as of 31 December 2021, the Board of Directors has also decided to change the address (for both the management company function and the global distributor function) given in the “*Directory*” and “*Principal Features*” sections of the Prospectus.

II. Changes to Section 1 (*Principal Features*)

The Board of Directors has decided to update the glossary in Section 1 (*Principal Features*) in particular in order to reflect the United Kingdom’s departure from the European Union and to describe more precisely the rules applicable to UCITS, which are mentioned in particular in Section 10.6 “*Depositary*” of the Prospectus.

III. Changes to Sub-section 11.4 (*Annual charges*)

The Board of Directors considers that (i) the standard brokerage fees and bank charges arising from the Company’s commercial transactions, and (ii) the fees related to the Company’s transfer agent and registrar should be treated as administration fees.

As a result, the Board of Directors has decided to update Section 11.4 (*Annual charges*) of the Prospectus to reflect this as closely as possible, without however, having any impact on the maximum authorised annual administration fees.

Following the publication of ESMA Guidelines on outperformance fees in UCITS and certain types of AIFs (the “**ESMA Guidelines**”), any new sub-fund of an UCITS incorporating a performance fee must be compliant with these ESMA Guidelines. In view of the launch of a new sub-fund within the Company, Section 11.4 (*Annual charges*) has been updated for this purpose. However, the mechanisms for calculating the outperformance fees of the Company’s existing sub-funds will not be brought into line with the ESMA Guidelines until a later date.

Therefore, Section 11.4 has been divided into two types of mechanism; the new mechanism complying with the ESMA Guidelines (and which will only be applied by the new sub-fund) and the pre-existing mechanism reflecting the mechanism as it exists within the Company for its other sub-funds.

IV. Use of financial indices as performance indicators

The Board of Directors has decided to make some minor clarifications to the investment policy of all sub-funds in order to clarify the use of the financial indices that are referenced for performance indicator purposes only.

This change has no impact on your investment.

V. Update to information about securities financing transactions and other minor changes

The Board of Directors has decided to update the sections in the Prospectus on securities financing transactions in order to be in line with the CSSF FAQ of 18 December 2020 on the use of securities financing transactions by UCITS. The Board of Directors has also decided to make further minor changes to the Prospectus in order to clarify, correct or align its contents, including changes relating to the use of defined terms.

B) CHANGES CONCERNING ONLY CERTAIN SUB-FUNDS AND HAVING AN IMPACT FOR THE SHAREHOLDERS CONCERNED

All changes described in this Part B) are relevant only to certain sub-funds, will be reflected in the Prospectus dated 18 October 2021, will enter into force on 18 November 2021 and will have an impact on the investment of the relevant shareholders.
