As part of the ongoing review of the product range competitiveness and client interest assessment, it has been decided to proceed with the merger between:

(1) **Amundi MSCI World V**, a sub-fund of the Company in which you own shares (the “**Absorbed Sub-Fund**”),

and

(2) **Amundi MSCI World UCITS ETF**, a sub-fund of Amundi ETF ICAV, an Irish UCITS (the “**Receiving UCITS**”) established as an umbrella fund with segregated liability between its sub-funds under the Irish Collective Asset-management Vehicles Act 2015, having its registered office at One George's Quay Plaza, George's Quay, Dublin 2, Ireland, registered under the laws of Ireland with number C461194 (the “**Receiving Sub-Fund**”);

(the “**Merger**”).

The Absorbed Sub-Fund and the Receiving Sub-Fund will hereinafter be together referred to as the “**Merging Sub-Funds**” (individually, a “**Merging Sub-Fund**”).

This notice is issued and sent to you to provide appropriate and accurate information on the Merger to enable you to make an informed judgement of the impact of the Merger on your investment.

Please note that the Merger will be processed automatically on the date indicated in Appendix III (the “**Merger Effective Date**”). It is not subject to your prior approval, vote or consent.

If you do not wish to participate to the Merger however, you can request the redemption or the conversion of your shares in the Absorbed Sub-Fund in accordance with paragraph C. of this notice. Otherwise, your shares in the Absorbed Sub-Fund will automatically be converted into shares of the Receiving Sub-Fund of which you will become shareholder as from the Merger Effective Date in accordance with the terms and conditions of this notice.

The Board of directors of the Company

A. Comparison between the Absorbed Sub-Fund and the Receiving Sub-Fund and impact on shareholders

The Absorbed Sub-Fund and the Receiving Sub-Fund both are compartments of undertakings for collective investment in transferable securities (UCITS) of Amundi group. Although they are not domiciled in the same European jurisdiction and, therefore, are not supervised by the same regulatory authority, the Absorbed Sub-Fund and the Receiving Sub-Fund both are subject to European Union harmonised UCITS legislation and offer similar protection to investors. The Receiving UCITS and the Company both exist under a form of public limited company qualifying as an investment company with variable capital and generally offer similar shareholders rights to their respective shareholders.

As further detailed in Appendix I, the Merging Sub-Funds share similar key features, including target asset class(es), management process, geographic exposure and tracked index, but differ in some respect notably in terms of service providers, the maximum anticipated level of tracking error and management companies. Both Merging Sub-Funds seek to provide exposure to the performance of large and mid-cap segments across the developed market countries worldwide.

It should also be noted that the Receiving Sub-Fund has adopted the International Central Securities Depository (“**ICSD**”) settlement structure for the settlement of trading in its shares. Under the ICSD settlement structure, the aggregate holdings of all investors will be evidenced by a global share certificate and the sole registered holder of all shares in the Receiving Sub-Fund will be a nominee of the common depository. Under the ICSD settlement structure, investors who are not participants in the ICSD will need to use a broker, nominee, custodian bank or other intermediary which is a participant in the ICSD settlement structure to trade and settle shares. The chain of beneficial ownership in the ICSD settlement structure may therefore be similar to existing nominee arrangements under the settlement model adopted by the Absorbed Sub-Fund.

Shareholders in the Absorbed Sub-Fund should benefit from the increased investment capacity in the Receiving Sub-Fund and the economies of scale this Merger should allow to achieve, while getting exposure to the same target asset class(es).

	Absorbed Sub-Fund	Receiving Sub-Fund
UCITS home Member State	Luxembourg	Ireland
UCITS supervisory authority	<i>Commission de Surveillance du Secteur Financier (CSSF)</i>	Central Bank of Ireland (CBI)
Legal form	<i>Société d'investissement à capital variable (SICAV)</i>	Irish Collective Asset-management Vehicle (ICAV)
Index	MSCI World Index (the “ Index ”)	
Investment Objective	The Absorbed Sub-Fund is a passively managed index-tracking fund. The Absorbed Sub-Fund’s investment objective is to track both the upward and the downward evolution of the Index denominated in US Dollars and representative of large-cap and mid-cap companies listed on developed markets, while minimizing the volatility of the difference between the return of the Absorbed Sub-Fund and the return of the Index (the “ Tracking Error ”).	The Receiving Sub-Fund is a passively managed index-tracking fund. The Receiving Sub-Fund’s investment objective is to track the performance of the Index. In normal market conditions, it is anticipated that the Receiving Sub-Fund will track the performance of the Index with a tracking error of up to 1% (the “ Tracking Error ”).

	The anticipated level of the Tracking Error under normal market conditions is expected to be up to 0.50%.	
Investment Policy	Direct replication as further described in the respective prospectus of each Merging Sub-Fund. For additional information, please refer to Appendix I.	

Appendix I to this notice provides additional information on the key similarities and differences between the Absorbed Sub-Fund and the Receiving Sub-Fund. Shareholders are also invited to carefully read the description of the Receiving Sub-Fund in its prospectus and relevant key (investors) information document (K(I)ID), which will be available on the following website: www.amundiETF.com.

The Merger of the Absorbed Sub-Fund into the Receiving Sub-Fund may have tax consequences for certain shareholders. Shareholders should consult their professional advisers about the consequences of this Merger on their individual tax position.

B. Portfolio Rebalancing

No rebalancing of the Absorbed Sub-Fund's portfolio will be required before the Merger.

C. Terms and Conditions of the Merger

On the Merger Effective Date, all the assets and liabilities of the Absorbed Sub-Fund will be transferred to the Receiving Sub-Fund and shareholders of the Absorbed Sub-Fund who have not requested the redemption or the conversion of their shares in the Absorbed Sub-Fund in accordance with this paragraph C. will automatically receive registered shares of the relevant share class in the Receiving Sub-Fund and, if applicable, a residual cash payment. As from that date, such shareholders will acquire rights as shareholders of the Receiving Sub-Fund and will thus participate in any increase or decrease in the net asset value of the Receiving Sub-Fund.

The Merger exchange ratio will be calculated on the Merger Effective Date by dividing the net asset value of the relevant share class of the Absorbed Sub-Fund dated as at the Last Valuation Date (as defined in Appendix III) by the net asset value of the shares of the corresponding share class of the Receiving Sub-Fund.

In accordance with the above provision, the respective net asset value per share of the Absorbed Sub-Fund and the Receiving Sub-Fund as at the Last Valuation Date will not necessarily be the same. Therefore, while the overall value of their holding should remain the same, shareholders in the Absorbed Sub-Fund may receive a different number of shares in the Receiving Sub-Fund than the number of shares they had previously held in the Absorbed Sub-Fund.

Should the application of the exchange ratio result in an allocation of fractional shares in the Receiving Sub-Fund to a shareholder of the Absorbed Sub-Fund, the value of such holding following the application of the Merger exchange ratio will be rounded down to the nearest whole share and the value of the fractional entitlement will be distributed by way of a residual cash payment in the base currency of the relevant share class of the Absorbed Sub-Fund. Residual cash payments, where applicable, will be made to shareholders of the Absorbed Sub-Fund as soon as reasonably practicable after the Merger Effective Date. The time(s) at which shareholders of the Absorbed Sub-Fund receive any such residual cash payments will depend on the timeframes and, if applicable, arrangements agreed between shareholders and their depositary, broker and/or relevant central securities depositary for processing such payments.

Any accrued income in the Absorbed Sub-Fund will be included in the final net asset value of the Absorbed Sub-Fund and accounted for in the net asset value of the relevant share class of the Receiving Sub-Fund after the Merger Effective Date.

Appendix II to this notice provides a detailed comparison of the features of the share class of the Absorbed Sub-Fund and the corresponding share class of the Receiving Sub-Fund, which shareholders are invited to read carefully.

The cost of the Merger will be fully supported by the management company of the Receiving UCITS, Amundi Ireland Limited.

In order to optimise the operational implementation of the Merger, no subscription, conversion and/or redemption orders relating to shares of the Absorbed Sub-Fund on the primary market will be accepted after the “Cut-Off Point” (as such term is defined in Appendix III). Orders received on the primary market after the Cut-Off Point will be rejected.

In addition, subscription, conversion and redemption of shares within the Receiving Sub-Fund will be temporarily suspended on the Merger Effective Date. Any subscription, conversion or redemption request on the primary market received by the Receiving UCITS, the Receiving UCITS’ management company, the Distribution, Paying or Information Agent, for an execution on the Merger Effective Date will be executed on the following valuation day.

Shareholders who do not agree with the terms and conditions of this Merger have the right to redeem or convert their shares at any time free of charges (excluding redemption fees charged by the Absorbed Sub-Fund to cover divestment fees and except for the fees acquired by the Absorbed Sub-Fund to prevent dilution of shareholders investment) from the date of this notice until the “**Cut-Off Point**” as set out in Appendix III.

Nevertheless, placing an order on the secondary market will trigger costs over which the management company of the Absorbed Sub-Fund has no influence. Please note that shares that are purchased on the secondary market cannot generally be sold back directly to the Absorbed Sub-Fund. As a result, investors operating on the secondary market may incur intermediary and/or brokerage and/or transaction fees on their transactions, over which the management company of the Absorbed Sub-Fund has no influence. These investors will also trade at a price that reflects the existence of a bid-ask spread. Such investors are invited to contact their usual broker for further information on the brokerage fees that may apply to them and the bid-ask spreads they are likely to incur.

Such a redemption would be subject to the ordinary rules of taxation applicable to capital gains on the sale of transferable securities.

The Merger will be binding on all the shareholders of the Absorbed Sub-Fund who have not exercised their right to request the redemption or the conversion of their shares within the timeframe set out above. The Absorbed Sub-Fund will cease to exist on the Merger Effective Date and its shares will be cancelled.

The following documents are at the disposal of shareholders for inspection and for copies free of charge during normal business hours at the registered office of the Absorbed Sub-Fund:

Your sub-fund will absorb on February 21, 2025 the Amundi MSCI World V sub-fund, a sub-fund of the Multi Units Luxembourg SICAV. This purely administrative absorption does not require any action on your part; the investment objectives and fees remain unchanged.

Yours faithfully,

The Board

A. Impact of the Merger on Shareholders of the Receiving Sub-Fund

On the Merger Effective Date, all the assets and liabilities of the relevant Absorbed Sub-Fund will be transferred to the Receiving Sub-Fund.

Like the Receiving Sub-Fund, the Absorbed Sub-Fund is a compartment of undertakings for collective investment in transferable securities (UCITS) subject to investment rules substantially similar to those of the Receiving Sub-Fund. No rebalancing of the Receiving Sub-Fund's portfolio will be required before or after the Merger.

The Merger as such is not expected to have any foreseeable materially negative impact on shareholders of the Receiving Sub-Fund or its portfolio. Rather, shareholders in the Receiving Sub-Fund should benefit from the increased investment capacity in the Receiving Sub-Fund and the economies of scale the Merger should allow to achieve.

On implementation of the Merger, shareholders in the Receiving Sub-Fund will continue to hold the same shares in the Receiving Sub-Fund as before and there will be no change in the rights attaching to such shares. The characteristics of the Receiving Sub-Fund will remain the same after the Merger Effective Date and the implementation of the Merger will not affect the fee structure of the Receiving Sub-Fund.

The Merger of the Absorbed Sub-Fund into the Receiving Sub-Fund may have tax consequences for certain shareholders. Shareholders should consult their professional advisers about the consequences of this Merger on their individual tax position.

B. Terms and Conditions of the Merger

Shareholders who do not agree with the terms and conditions of the Merger have the right to redeem or convert their shares at any time free of charges (excluding redemption fees charged by the Receiving Sub-Fund to cover divestment fees and except for the fees acquired by the Receiving Sub-Fund to prevent dilution of shareholders investment) from the date of this notice until the **"Last Day to Request Redemption or Conversion Free of Charge for Primary Market Investors"** as set out in Appendix I.

Nevertheless, placing an order on the secondary market will trigger costs over which the management company of the Receiving Sub-Fund has no influence. Please note that Shares that are purchased on the secondary market cannot generally be sold back directly to the Receiving Sub-Fund. As a result, investors operating on the secondary market may incur intermediary and/or brokerage and/or transaction fees on their transactions, over which the management company of the Receiving Sub-Fund has no influence. These investors will also trade at a price that reflects the existence of a bid-ask spread. Such investors are invited to contact their usual broker for further information on the brokerage fees that may apply to them and the bid-ask spreads they are likely to incur.

Such a redemption would be subject to the ordinary rules of taxation applicable to capital gains on the sale of transferable securities.

In addition, subscription, conversion and redemption of shares within the Receiving Sub-Fund will be temporarily suspended on the Merger Effective Date. Any subscription, conversion or redemption request on the primary market received by the Receiving UCITS, the Receiving UCITS' management company, the Distribution, Paying or Information Agent, for an execution on the Merger Effective Date will be executed on the following valuation day.

The Merger will be binding on all the shareholders of the Receiving Sub-Fund who have not requested the redemption of their shares in the Receiving Sub-Fund in accordance with this Paragraph B.

The cost of the Merger will be fully supported by the management company of the Receiving Sub-Fund.

C. Documentation

The following documents are at the disposal of shareholders for inspection and for copies free of charge during normal business hours at the registered office of the Receiving UCITS:

- the common terms of Merger;
- the latest prospectus and K(I)ID of the Receiving Sub-Fund;
- copy of the merger report prepared by the auditor;
- copy of the statement related to the Merger issued by the depositaries the Absorbed Sub-Fund and the Receiving Sub-Fund.
